designed to make a difference

K750 Combimax Food Processor

A small chopper and a large-capacity, multifunctional food processor sit side-by-side in a unique food preparation center.

Small, simple tasks like mixing a salad dressing or chopping onions are easily done with the compact chopper unit.

The universal food processor is designed to perform a variety of big processing jobs, from mixing/ blending up to 2 litres of liquids, kneading up to 1.5 kg of cake dough, chopping/ slicing meat, fish and vegetables and whipping cream/ desserts.

With the powerful 600 Watt motor, electronically controlled, variable speed and sealed bowls to prevent leakage, you are always in complete control of your food preparation.

- Powerful food processor with speed control and pulse setting, 600w
- Large 2L food processor bowl with attachments and chopper bowl
- Various discs for grating, shredding and variable slicing
- Citrus juicer attachment
- Double safety lock system
- Easy to clean and dishwasher safe attachments

Code: 63202750

Price: \$ 137.67 + gst

RRP: \$ 179.95

K650 Combimax Food Processor

A more compact unit than the K750, the K650 will still breeze through all the big processing jobs.

This model comes with the same big 600 watt motor, electronic variable speed controls and 2 litre sealed mixing bowl as those of its larger cousin. But if space is at a premium and it is mainly the big jobs you want done for you, the K650 fits the bill.

The mini-chopper unit adequately handles smaller tasks as well.

Code:	63205750
Price:	\$ 107.07 + gst
RRP:	\$ 139.95

- Powerful food processor with speed control and pulse setting, 600w
- Large 2L food processor bowl with attachments
- Various discs for grating, shredding and variable slicing
- Double safety lock system
- Easy to clean and dishwasher safe attachments

K600 Combimax Food Processor

If its just the basic tasks you want done in the kitchen, the K600 delivers the goods in a single compact unit.

This model comes with the same big 600 watt motor, electronic variable speed controls and 2 litre sealed mixing bowl as those of the K750 and K650 models.

Ideal for basic, big-bowl processing and comes with shredding and slicing discs

Code:	63205770
Price:	\$ 98.59 + gst
RRP:	\$ 129.95

- Powerful food processor with electronic speed control and pulse setting, 600w
- Large 2L food processor bowl with attachments
- Discs for shredding and slicing
- Double safety lock system
- Easy to clean and dishwasher safe attachments

MR5550 BCHC Multiquick Professional Handblender

With its 600 Watt power and unique Turbo function, the Braun Multiquick Pro is the right tool for those seeking Professional results in all functions.

Blending, pureeing, chopping of hard ingredients like Parmesan or making a real, smooth Gazpacho are easy tasks.
